I.     Welcome

Roll call taken.

Thanks to Doug, Eddie and Odette for serving as officers and members who have added so much to making the year successful.

II.    Old Business

A.     Approval of minutes. Reviewed. Motion to approve by Jamieson, second by Greenbaum. Approved unanimously.

B,     Reports on recent seminar  
March seminar Quality Divorce on a budget. Some resistance to having no books. Power point is important to have when there are no books.

Military seminar was well attended and well received. Flash drives were not available in advance. Chairs of seminars need to stay on top of that.

Brochures need to state clearly that there will not be books.  
Have to plan well ahead if there will be books.  
Binding is expensive. Consider binder.  
Consider having a few printed versions for live seminars.  
Push people to get on flash drives.  
Consider giving choice with added expense for printed version.  
Have brochure indicate what software is needed for flash drive.  
Send flash drive or electronic version ahead of time for people to print.

Motion by Stevens to modify registration forms to allow for flash drives or bound books with cheaper printed materials with added cost for printed materials. Stevens Jamieson second . Passes unanimously.

Electronic seminar went very well. Over 100 in attendance.

Retreat in New Orleans was wonderful.

May seminar on tax issues went well. Telephonic seminars are doing well.

Military issues was in Tampa. Very well received.
