### Key West

Ernest Hemingway made wild, colorful Key West his home, and you will want to do the same. Home to modern-day adventures, artists and poets, the island's charming Old Town teems with restaurants, bars and unique shops. Add pristine coral reefs, coconut palms and a laid-back attitude that's truly contagious, and it's easy to see why many visitors to Key West never leave.

### Cozumel, Mexico

The Conquistadors first saw Mexico from the shores of Cozumel while searching for gold. Today, visitors to the island continue to seek out gold and silver jewelry in the shops of San Miguel while having a great time in its many local bars and restaurants. Plus, the waters around Cozumel's sheltered coral reefs make this one of the best snorkeling areas in the world.
